

BOY SCOUT Troop 181

Cherry Valley Fire Fighters Association & Cherry Valley United Methodist Church

June 15, 2010

BMX Track clean-up

June 20, 2010

Sunday 3:30 PM until done (about 2-hours)

(Meet **AT** the **BMX Track** at the date/time above.)

BOY SCOUT Troop 181 picks-up litter at the BMX track, located near 5000 Safford Road.
Wear your (green) scouting activity shirt.

This is an opportunity for a scout to earn money for his *Scout Account*. On the basis of each scout, and one parent per scout; all participants (each scout AND one adult) will share equally in the money earned. Let's site an example: if the BMX coordinators pay us \$400 for picking-up all litter and cigarette butts after the weekend's event, and twelve scouts with eight parents participate, each person earns \$20.00, to be posted to the boys' *Scout Accounts*. (In this case, a boy participating without a parent will earn \$20.00. However, if he and one parent both participate, he earns \$40.00. If two scout brothers and one parent works, each scout gets \$30.00; so bring another adult to get \$40 each.)

The money in a boy's *Scout Account* can be used for any scouting activity or scouting-related purchase when the scout writes a scout check for its specific use (approved by the Scoutmaster).
