

## Festa Italiana 2010

Everyone: Meet at the garage at the extreme north end of the grounds. Find garbage bags (2-sizes; some fit the boxes & others are used for general litter pick-up in the mornings). Set-up more boxes & lids if needed, and put a few in the parking lot. Bring drinking water!

Festa hours: **Friday** 5:00-11:00pm

(see schedule) Set out boxes with bags right away (if we need more).

Note: **All Evening shifts** should wear scout T-shirts and tell the Festa Security people that they are scouts on the clean-up crew ... to avoid paying admission. Consolidate bags from boxes, then take the full bags to the dumpsters.

**Everyone needs to work 2-3 morning shifts, even if you work an afternoon or evening shift.**

Saturday **AM Clean-up** Meet at Boylan H.S. @ 8:30am

8:30-done(~10:30am) All scouts and most parents are needed.

Note: **Morning** clean-up includes: pick-up, rake-up all litter, consolidate all garbage bags and dispose. Pick-up most of the cigarette butts [*the more you leave, setting the example, the more the people think it is all right to drop them*]. Clean-up the grounds, parking lots, grass parking area, neighbors' yards across the street, staff parking area. (Bring: gloves, rakes)

Festa hours: **Saturday** 12:00 Noon – 11:00pm
