

## MILITARY POPCORN ADDRESSES

Now that you have ordered and paid for your Military donation, you may add an address that you would like the popcorn sent to. Keep in mind that the address must be an APO! If you have ordered more than one donation, please add the address that many times. If you do not add an address to the system, some lucky GI will receive your donation. Thank you from BSA Troop 181 and your favorite branch of the Military.
